

Indiana Professional Educators, Inc.

“Educators by Calling, Professionals by Choice”

The Indiana Professional Educators, Inc. (IPE), founded in 1976 by Jane Ping, is a voluntary membership association of independent public school teachers from across the state of Indiana. IPE is committed to the principle that public school teachers are professionals and by law, have the right to choose their professional affiliations.

For a typical Indiana teacher, \$800 or more a year is deducted from your paycheck for union dues and used for fees, special interest groups, funding political campaigns and supporting controversial social issues. The vast majority of this money is actually sent to state and federal labor unions, not your local association.

In Indiana, you have a choice!

Your IPE membership includes:

- ▶ \$1 Million Professional Liability Insurance
- ▶ Legal assistance and insurance coverage;
- ▶ Legislative monitoring and member activities;
- ▶ Freedom to be the professional you are!
